Dear Sir,

I refer to the letter of the EIB Complaints Mechanism of 1 July 2011 whereby you were informed of the fact that it was still carrying out its inquiry regarding your complaints on the CHP Bielsko Biala project in Poland.

In this regard, I apologise for the delay by which you receive the final reply. The EIB Complaints Mechanism has finalised its inquiry into the matter and I am therefore confident in providing you with their Conclusions Report.

Please note that additional information about the Complaints Mechanism is available at the following webpage:  
<http://www.eib.org/about/publications/complaints-mechanism-policy.htm>

I trust the reply is helpful in clarifying the issue raised in your message.

Yours sincerely,

A. Querejeta
