Dear Sir,

I refer to our letter of 28 November 2013 informing you of the launch of the review into your complaint concerning the Sulina Canal Bank Protection project.

The EIB Complaints Mechanism has now completed its inquiry into the matter. I am therefore providing you with its Conclusions Report.

The EIB has decided to follow the developments of the present case by continuing its contacts on high political and institutional level.

Additionally, please note that the EIB wishes to be kept informed about the procedure of obtaining an exequatur in Romania, if such procedure is initiated in the future.

Additional information about the Complaints Mechanism is available at the following webpage: <http://www.eib.org/about/accountability/complaints/index.htm>

I trust the reply is helpful in clarifying the issue raised in your message.

Yours sincerely,
