

## 2002 – 2012: key figures for EIB FEMIP

Since its inception ten years ago, FEMIP has been contributing to the economic and social development of the Mediterranean partner countries.

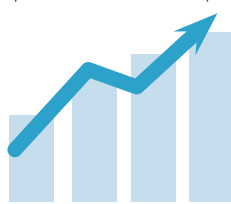

The projects we finance help create or safeguard jobs, facilitate trade, enable a business-friendly environment, accelerate regional development and clean up the environment.

We improve the daily lives of men and women across the Mediterranean.

**24** projects  
amounting to  
EUR 1.4bn to protect  
the **Mediterranean  
environment**

**36 funds** in which  
the EIB invested more than  
**EUR 300m** to support  
private sector development

**EUR 133m** in dedicated **technical  
assistance** to help implement projects

**55%** of funding  
goes to the **private sector**,  
with a focus on SMEs

**EUR 14.2bn** of financing through **192 projects** in the 9 Mediterranean partner  
countries, mobilising nearly **EUR 43bn** of additional capital

**191 schools** and **47  
hospitals** have been built.  
Numerous others have been  
refurbished and upgraded

**2 500 SMEs**  
received financing and benefited  
from our experience and  
expertise gained in the EU

**31 000 jobs**  
created through support  
for SMEs in the region and **42 000 jobs**  
(of which **21% for women**) supported via  
direct growth capital investments

**50** co-financed projects  
out of 75 under the Neighbourhood  
Investment Facility

**EUR 22m**  
in financing for  
local **microfinance  
institutions**, which  
have over 830 000  
micro-borrowers  
of whom 53% are  
women

**EUR 36m** from the FEMIP  
Trust Fund allocated for **regional  
and sectoral studies**
