

## ➤ The European PPP Expertise Centre at a glance

“Supporting the public sector to deliver sound Public Private Partnerships”

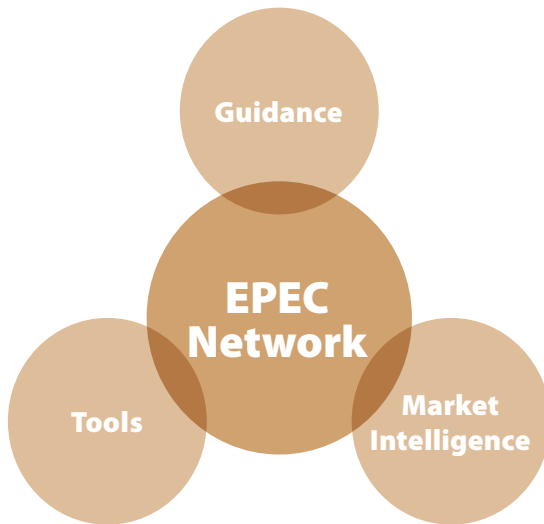

- A membership-based network of PPP units and public policy makers
- An international team of dedicated PPP experts
- An initiative of the EIB, involving the European Commission and many European countries
- An integral part of the EIB’s advisory services

## **Sharing** good PPP practice

EPEC brings together the collective expertise and experience of its members to:

- Address practical issues in implementing PPPs
- Provide market intelligence
- Develop PPP guidance and tools
