EIB

Infrastructure for the Human Touch : Growing Human Capital

**Professor Richard B. Davies
Vice Chancellor
Swansea University**

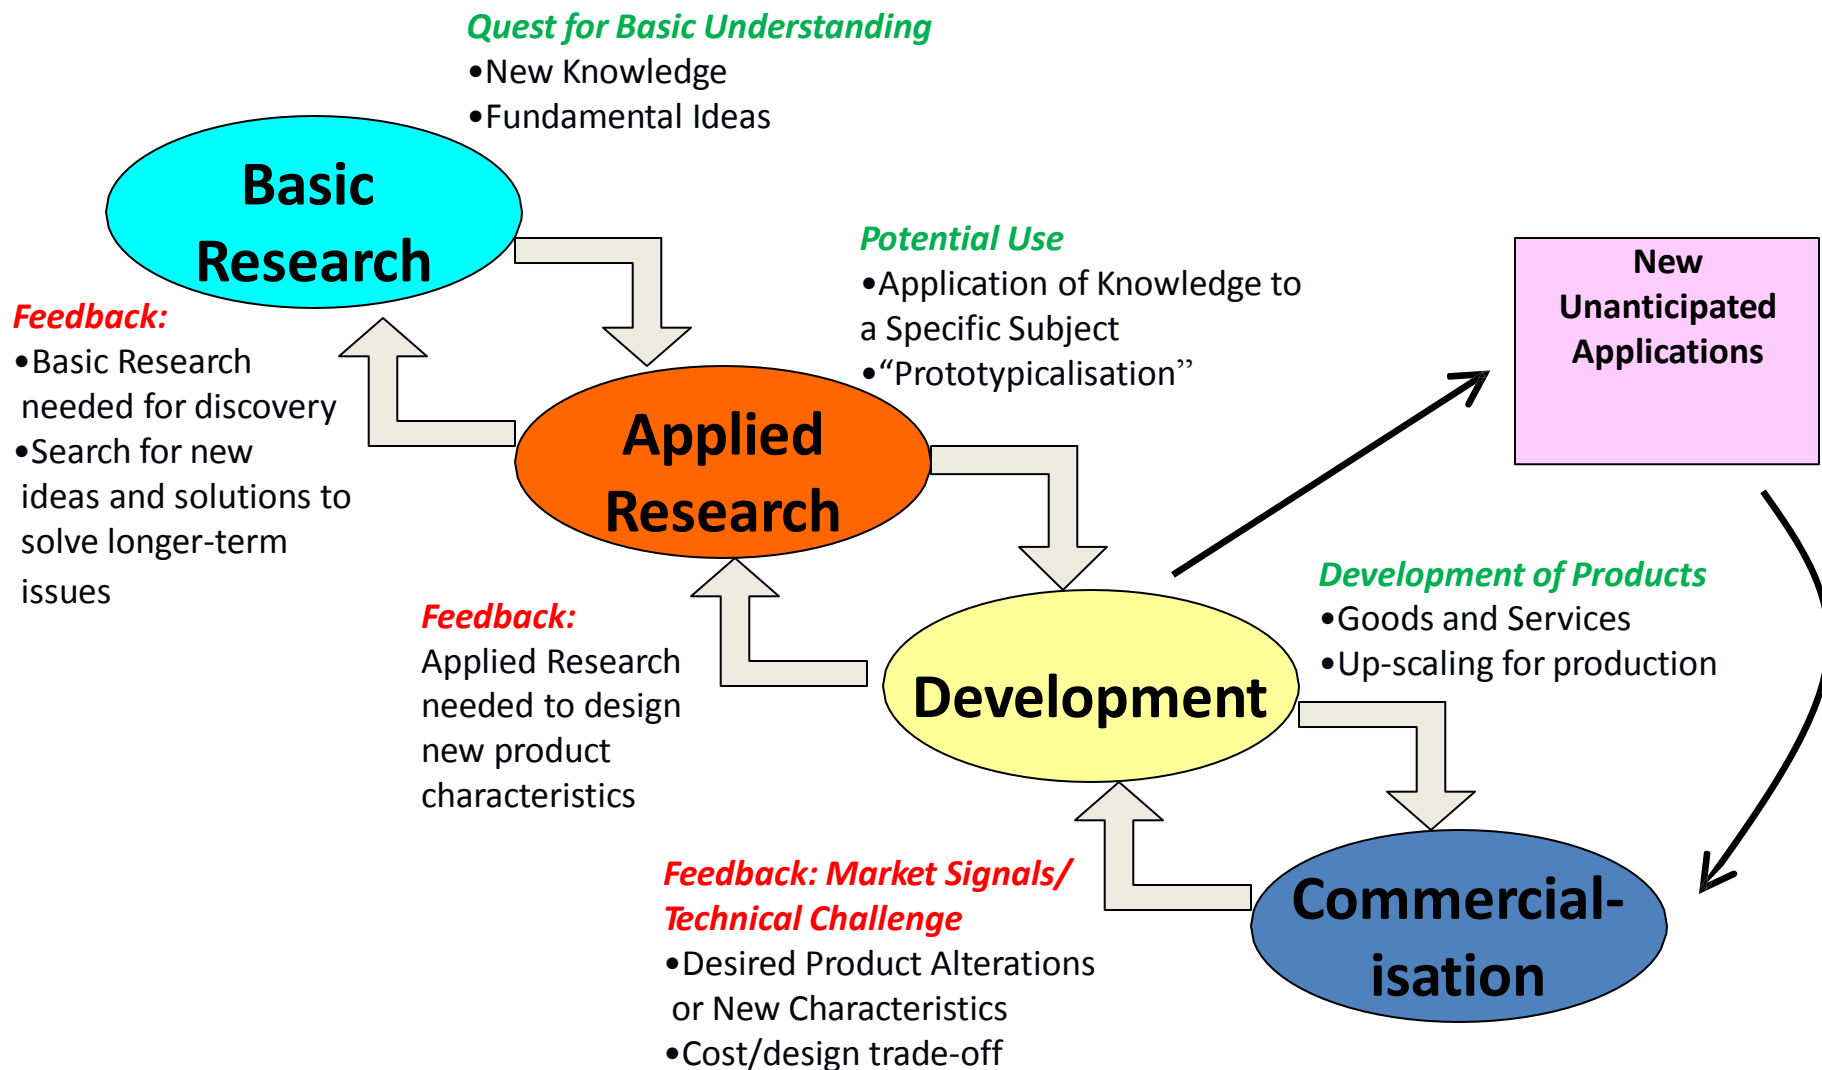

Zagreb 23 March 2017

Three wavy lines in yellow, light blue, and white sweep across the bottom of the slide.

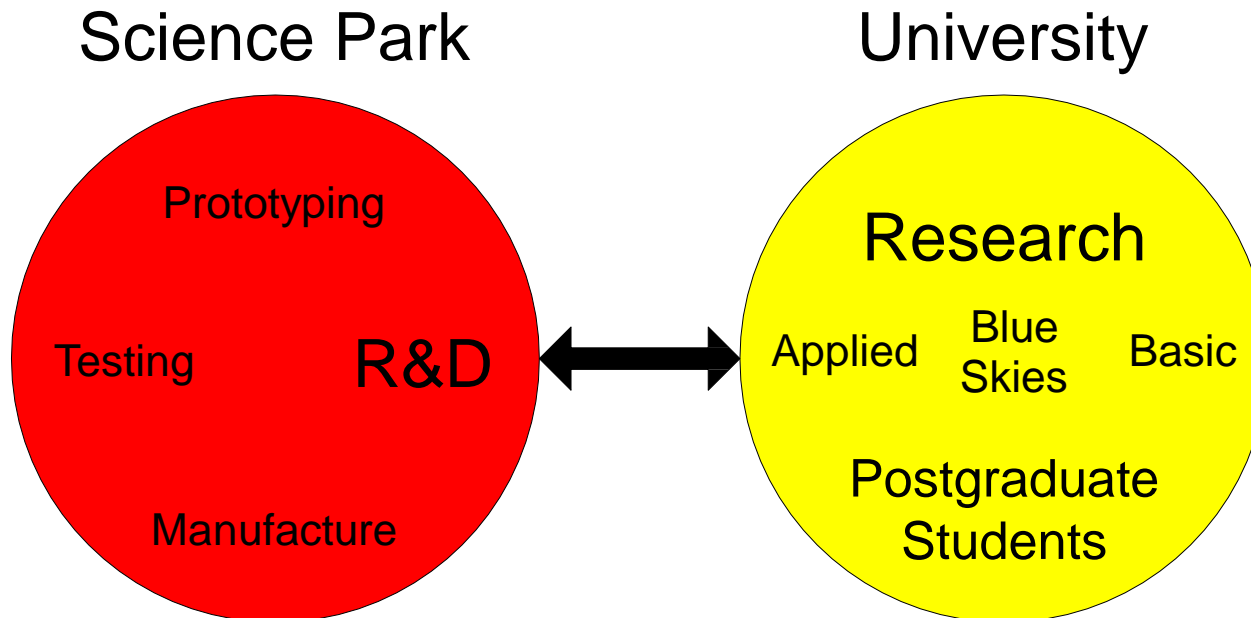

Research → Wealth Creation

is an Iterative Process

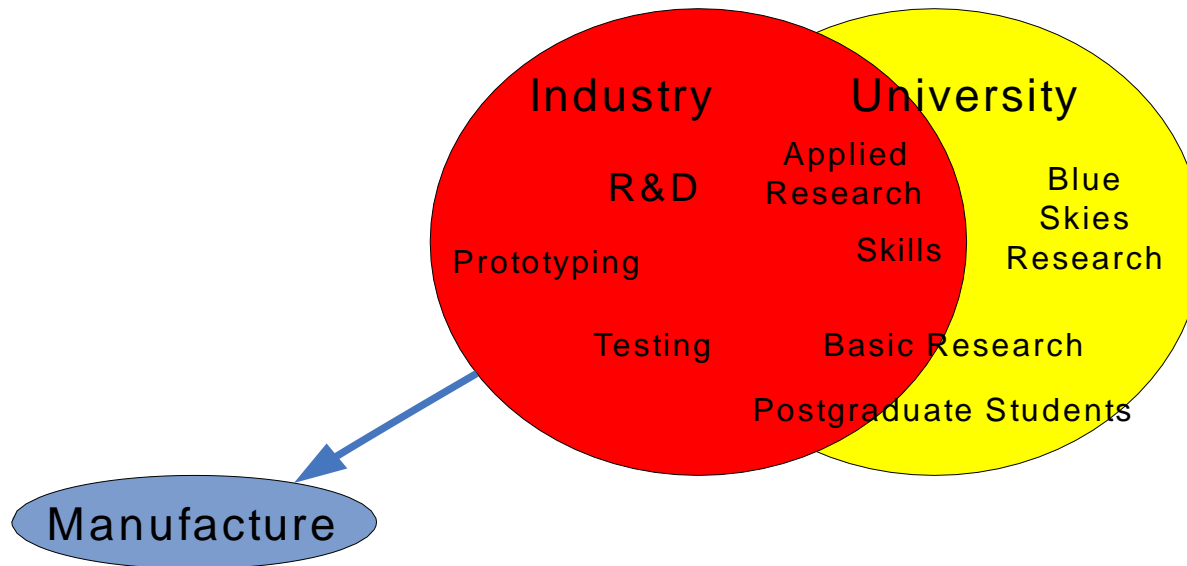

Therefore a new approach to collaboration with industry:

Traditional Knowledge Exchange Structure

Swansea model removes the university/industry barriers . . .

The Swansea University Model

Locating together academic and industrial activities

Swansea University Medical School

Swansea University
