Delivering next generation access through PPP

Terms of Use of this Publication

The European PPP Expertise Centre (EPEC) is a joint initiative involving the European Investment Bank (EIB), the European Commission, Member States of the European Union, Candidate States and certain other states. For more information about EPEC and its membership, please visit <http://www.eib.org/epec>.

This publication has been prepared for the benefit of EPEC members to facilitate the sharing of experiences in the field of public-private partnerships (PPPs). The circulation of this publication is strictly limited to EPEC members.

The findings, analysis, interpretations and conclusions contained in this publication do not necessarily reflect the views or policies of the EIB, the European Commission or any EPEC member. No EPEC member, including the EIB and the European Commission, accepts any responsibility regarding the accuracy of the information contained in this publication or any liability for any consequences arising from the use of this publication.

Confidentiality notice

This document and the information contained herein are strictly private and confidential, and are solely for the use of EPEC.

This document has been produced with the assistance of Rod Parker, Matt Yardley and Lukman Abdul-Karim at Analysys Mason.
