Corrigendum to the “Call for Expression of Interest: to select Asset Manager and other relevant service providers for the Infrastructure Aggregation Platform” published on EIB website

Ref.: JR - 1457

Please note that the deadlines mentioned in the initial Call for Expression of Interest” (“CEoI”) published on EIB website on 19th of January 2018 (<http://www.eib.org/about/procurement/calls/jr-1457.htm>) have been deferred by two weeks from the initial proposal.

The following terms on the CEoI have thus been modified:

Point 8 “Instructions for Submission of Expression of Interest and Important Notices”, all references made to February 23rd 2018 are amended to **March 9th 2018**.

Point 8: deadlines on the CEoI are to be amended and extended for two weeks from the initial proposal, as per the following:

- Deadline for requesting additional information: from the initial February, 9th 2018 (three weeks from publication of CEoI) to **February 23rd 2018** (five weeks from publication of CEoI)
- Deadline for submission of EoI: from the previous February 23rd 2018 (Five weeks from publication of CEoI) to **March 9th 2018** (Seven weeks from publication of CEoI)
- Deadline to notify Applicants of the outcome of the selection process (further details please see chapter 6) from initially envisaged March 9th 2018 (Seven weeks after CEoI is issued March) to **March 23rd 2018** (Nine weeks after CEoI is issued)

All remaining clauses and Appendices to the CEoI remain unchanged.

The revised version of the CEoI reflecting the abovementioned changes to the deadlines is available on EIB website (www.eib.org/procurement), and shall replace and supersede the initially published CEoI document.
