InnovFin SME Guarantee Intermediary Selection Process

- **Open Call** for EOI to select financial intermediaries launched by EIF on Aug 4th 2014
- **Selection Process** includes:

1. **Pre-selection** of EOI based on:
   - formal assessment;
   - application quality;
   - contribution to the overall facility.

   **Applications are pre-selected on a “first come, first assessed” basis**

2. **Due diligence**
3. **Selection**

### Main items of quality assessment
- Financial capacity;
- Capacity to manage risk;
- Experience and ability to lend to target companies: track record; business plan to build a portfolio, etc;
- Envisaged composition of the portfolio: credit quality; granularity; diversification, etc;
- Level of Financial Benefit compared to standard pricing conditions;
- Quality of the implementation proposal: rollout strategy; proposed volumes; proposed pricing policy; financial benefit, etc.
Application and Approval

BPI’s Process Overview

- **Submission of EOI** to become an InnovFin Intermediary: 17/10/2014
- **Due diligence cc meeting**: 29/10/2014
- **EIF Board Approval**: 17/11/2014
- **Signature of InnovFin SME agreement**: 19/12/2014

➢ **BPI** is the 1st Portuguese bank (2nd in Europe) selected to act as a financial intermediary under the **InnovFin SME** facility.

➢ **BPI** was the 1st Portuguese bank selected to act as a financial intermediary under the **RSI facility**.
EIF provides guaranties (with EU support) to cover (50%) of potential losses on a Eligible Portfolio of loans.
Guarantee agreement principles:

- **Full delegation** of approval/management decisions to BPI;
- BPI ensures that the transactions and the portfolio fulfil with **eligibility criteria** set by EIF;
- BPI transfers to the client the **Financial Benefit** arising from EIF guarantee;
- **Automatic inclusion** of operations in the portfolio (based on eligibility criteria);
- Monitoring/follow-up by EIF (**quarterly reporting** on a loan by loan basis)

“The origination, due diligence, documentation and servicing of the Beneficiary Transactions shall be performed by the Financial Intermediary in accordance with its standard origination and servicing procedures.

(...)

Eligible Beneficiary Transactions will be automatically covered, by way of submitting inclusion notices on a quarterly basis until the end of the relevant Inclusion Period.”

Main advantages

- Flexibility; decision autonomy by BPI
- Time of response to client
Guarantee Agreement establishes several conditions for the implementation of facility, namely:

- Innovation Eligibility Criteria;
- Final Recipient Eligibility Criteria;
- Final Recipient Transaction Eligibility Criteria;
- Portfolio Eligibility Criteria.

To ensure the fulfilment of those conditions, BPI put in place several tools and procedures, namely:

- Standard product features: a specific credit line was created - Linha BPI/FEI Inovação II;
- Standard contract support documentation, including commitment letters for each Innovation criteria;
- Standard operational procedures, focusing on the specificities of the InnovFIn Facility, namely Eligibility Criteria:
  - 1st screening/analysis of eligibility criteria is made by the Commercial Teams;
  - Qualitative assessment of “subjective” Innovation criteria by Special Operations Department (Corporate Banking);
  - Final documentation verification by Operations Department, within contracting procedures;
  - Portfolio composition limits periodically monitored by Marketing Department.
- Standard loan contract with specific clauses related to the fulfilment of eligibility criteria.

**Objective:** to make the screening and validation of eligibility criteria and the inclusion of loans in the facility as much objective and simple as possible, so that it can be mainly carried out at the commercial and operational levels, with low operational risks

**Standard Product features ensure compliance with EIF requirements**
Main advantages of the InnovFin (and RSI) (vis a vis alternative credit lines)

- No consumption of "de minimis" aid limit for the final beneficiaries of the line (SMEs and Small Mid-Caps);
- **Time of response** to client (internal decision of BPI only);
- The guaranteed portion of the loans (50%) has **no capital consumption**, freeing up capital resources that can be used to further increase the loan portfolio.
BPI’s InnovFIn implementation strategy (as per the EOI) includes several marketing and promotion initiatives, namely:

- **External Communication**
  - Press Releases, Advertising
  - BPI Corporate Site
  - BPI Corporate Newsletter
  - Sales Support Material
  - Seminars & Events

- **Internal Communication**
  - Intranet: specific highlights and dedicated product area
  - Internal weekly Newsletter

- **Sales Training and Promotion and Sales Targeting**
  - Internal events with Corporate Centres
  - Sales targets

According to the proposal made to EIF in the EOI to become a financial intermediary in InnovFIn SME Guarantee, **BPI has been making strong marketing and promotion efforts** of the new credit line supported by that Facility, as detailed in the next slides.

Focus: leveraging on BPI’s excellent performance in RSI (BPI/FEI Inovação) and the launch of the new Facility

O BPI e o FEI assinam o primeiro acordo de garantia InnovFin em Portugal no âmbito do Programa Horizonte 2020 para o financiamento de empresas inovadoras.

O Fundo Europeu de Investimento (FEI) e o Banco BPI assinaram um acordo para fomentar o crédito a pequenas e médias empresas (PME) bem como a empresas de média dimensão (mídia-caps) ao abrigo do Programa InnovFin – Financiamento da União Europeia para empresas inovadoras, uma iniciativa apoiada pela Comissão Europeia em nome da União Europeia.

O novo acordo permitirá ao Banco BPI proporcionar às empresas inovadoras em Portugal o acesso a um total de financiamento de 200 milhões de euros nos próximos 2 anos, com o apoio de uma garantia prestada pelo FEI no âmbito do Horizonte 2020 – Programa-Quadro de Investigação e Inovação da UE. A operação permitirá ao Banco BPI disponibilizar financiamento adicional às empresas inovadoras, em condições vantajosas.

Em Lisboa, àquando da assinatura, o Director Executivo do FEI, Pier Luigi Gilbert, afirmou: “Estamos muito satisfeitos com os resultados alcançados no Instrumento Financeiro de Partilha de Risco assinado com o BPI há um ano e meio e estamos convicte de que, em conjunto, poderemos apoiar ainda mais empresas inovadoras nos próximos 2 anos”.

O Comissário Europeu para a Investigação, Ciência e Inovação, Carlos Moedas, disse: “Estamos muito satisfeitos com o acordo que permitirá às empresas inovadoras portuguesas o acesso a uma importante linha de crédito de 200 milhões de Euros nos próximos dois anos. A inovação é a peça-chave do crescimento e da criação de emprego na Europa e o programa Horizonte 2020 e o seu principal instrumento. Ao facilitar o acesso das PME a financiamento para investigação e inovação estamos a investir no crescimento da economia portuguesa e da União Europeia”.

Fernando Ulrich, Presidente do Banco BPI, acrescentou: “O BPI é o principal parceiro comercial do Gruppo BEI em Portugal na concessão de crédito de médio e longo-prazo a PME e “mid-caps”. Esta posição resulta do desempenho eficaz do Banco em todas as transacções e operações anteriormente formalizadas, nomeadamente o Inovador Instrumento de Partilha de Risco lançado pelo FEI em colaboração com a Comissão Europeia. Estamos satisfeitos por, mais uma vez, o BPI ter sido o primeiro banco português a ser escolhido pelo FEI para a implementação da Garantia InnovFin para PME. Posso afirmar que continuamos determinados em manter este nível de desempenho nos próximos anos.”
