Environmental and Social Assessment

Environmental Assessment

The project concerns the promoter's investments for RDI activities related to the development of Ride-hailing, Rental and Delivery related software solutions.

The project activities are not listed in any annexes of the Directive 2014/52/EU amending the EIA Directive 2011/92/EU and will be carried out in existing facilities already authorised that will not change their scope due to the project.

Conclusions and Recommendations

In the light of the above, the proposed investments do not require any additional permits and fall within an already authorised scope. As such, the project is acceptable for Bank financing in environmental and social terms.
