## Environmental and Social Completion Sheet (ESCS)

### Overview

Project Name: CAMPUS LORRAIN

Project Number: 2013-0670

Country: FRANCE

Project Description: Il s'agit d'un projet de construction, rénovation et équipement de bâtiments universitaires porté par l'Université de Lorraine et retenu dans le cadre du programme national Opération Campus. Le projet est mis en place sous la forme de deux contrats de partenariats public-privé distincts pour le financement, la conception, la construction, la rénovation, l'entretien, la maintenance et l'exploitation des bâtiments et installations concernés par le Projet.

### Summary of Environmental and Social Assessment at Completion

**EIB notes the following key Environmental and Social outcomes at Project Completion.**

The project sites were situated in most cases on existing university estates and were already within respective city and/or regional plans. The project had overall been assessed as acceptable, having no adverse impacts on the environment.

None of the projects required an EIA and no complaints or legal issues were noted by the Bank.

#### **Summary opinion of Environmental and Social aspects at completion:**

EIB is of the opinion based on reports from the promoter during Construction that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
