Environmental and Social Completion Sheet (ESCS)

Overview

Project Name: NEW FURNITURE PRODUCTION PLANT
Project Number: 2016-0696
Country: POLAND
Project Description: The proposed EIB loan has supported the promoter's capital investments for (i) the construction of a new production facility for upholstered furniture, (ii) the acquisition, installation and ramp-up of the related equipment for furniture production, as well as (iii) a new fully equipped storage facility over the period 2016-19.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

The local competent environmental authorities have required an EIA for the project according Directive 2014/52/EU amending the EIA Directive 2011/92/EU. A copy of the NTS (Non-Technical Summary) has been made available to the Bank and published on the Bank's website together with the full EIA. The building permit has been granted.

No significant environment or social issues were noted at project completion.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on the annual reports from the promoter, during Construction that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
