## Environmental and Social Completion Sheet (ESCS)<sup>1</sup>

### Overview

Project Name:	SHELTER-AFRIQUE COMMUNITY DEVELOPMENT
Project Number:	2012 0149
Country:	Regional - Africa
Project Description:	<i>An investment programme established by Shelter Afrique (SHAF), an African multi-lateral financing institution, to promote more sustainable urban development by financing SMEs in the construction sector with a focus on providing affordable housing and associated communal infrastructure, initially in Eastern Africa but extendable over time to sub-Saharan Africa.</i>

### Summary of Environmental and Social Assessment at Completion

**EIB notes the following Environmental and Social performance and key outcomes at Project Completion.**

Based on information available, the EIB understands that the three housing schemes implemented were screened in compliance with SHAF's guidelines (Environmental and Social Management System [2010]) applicable at the time by the Project Portfolio Manager (PPM, the sector specialist in charge of appraisals and monitoring of projects within SHAF). SHAF had a permanent Independent Project manager on all projects to report on the implementation on a quarterly basis. No significant environment or social issues were reported. .

**EIB notes the following key Environmental and Social aspects to be monitored during operations:**

No environmental or social aspects of significance were reported to the EIB during monitoring.

**Summary opinion of Environmental and Social aspects at completion:**

EIB notes based on monitoring information provided by SHAF and collected during site visits, that no material evidence indicates significant issues were encountered in implementing EIB Environmental and Social Standards, applicable at the time of appraisal.
