Overview

Project Name: *DIAKHITEL - STUDENT LOAN V*
Project Number: *2017-0930*
Country: *Hungary*
Project Description: *Financing the costs related to Higher Education studies by providing loans to students through Diákhitel Központ Zrt. (Diákhitel).*

Summary of Environmental and Social Assessment at Completion

EIB notes the following Environmental and Social performance and key outcomes at Project Completion.

The project activities did not fall under Annexes I or II of the EU Directive 2011/92/EC, and are therefore not subject to screening and/or Environmental Impact Assessments. The project financed student training activities, and there was no capital investment in infrastructure. The project did not include any new constructions or any investments in new facilities. The project contributed to improve access to higher education for those students, who otherwise would not have the financial means. This student loan operation generated positive social effects, both at individual and societal level.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter that the project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal
