## Environmental and Social Completion Sheet (ESCS)<sup>1</sup>

### Overview

Project Name:	KOMMUNALINFRASTRUKTUR BRANDENBURG
Project Number:	2015-0787
Country:	Germany
Project Description:	The Project (Framework Loan) consisted in the co-financing of Federal State of Brandenburg's Grant Scheme Programme, supporting public beneficiaries for the implementation of urban infrastructure projects.

### Summary of Environmental and Social Assessment at Completion

**EIB notes the following Environmental and Social performance and key outcomes at Project Completion.**

The operation comprised multi-sector investments under the Grant Scheme Programme addressing two priorities namely strengthening educational infrastructure and increasing the capacity for fire protection. On the ground this resulted in the new construction, extension and renovation of municipal buildings, namely schools and fire stations. None of the schemes required Environmental Impact Assessment.

Project implementation and management capacity of the Promoter is considered good based on the overall outcomes related to the investments co-financed.

#### **Summary opinion of Environmental and Social aspects at completion:**

EIB is of the opinion based on reports from the promoter, that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
