

European Investment Bank (EIB)

Luxembourg, 20 December 2022

Environmental and Social Completion Sheet (ESCS)¹

Overview

Project Name:	CAIXABANK TECHNOLOGY & DIGITAL PLATFORMS
Project Number:	2016-0350
Country:	SPAIN
Project Description:	The project related to the financing of CaixaBank's technology programme covering the development and implementation of new IT solutions, processes and infrastructure. The project also included the design, construction and commissioning of a new Data Centre.

Summary of Environmental and Social Assessment at Completion

EIB notes the following Environmental and Social performance and key outcomes at Project Completion.

The IT investments and development activities included in the project do not fall under any Annexes of the EIA Directive 2014/52/EU amending Directive 2011/92/EU.

The project did not require any specific E&S conditions or undertakings to be implemented.

The promoter continues to have an Environmental Management system in place following the EMAS standard and has its two largest corporate buildings in Barcelona and Madrid certified under the ISO 14001 standard.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
