## Environmental and Social Completion Sheet (ESCS)<sup>1</sup>

### Overview

Project Name:	Gothenburg Municipal Investments
Project Number:	2016-0549
Country:	Sweden
Project Description:	The project concerns the financing of investment schemes forming part of the City of Gothenburg's five-year investment programme from 2017 to 2021 under a municipal Framework Loan. The project is expected to comprise small to medium sized schemes in the fields of affordable housing, public buildings, transport, energy and water, although provision is also made for the possible inclusion of large schemes under the allocation procedures.

### Summary of Environmental and Social Assessment at Completion

**EIB notes the following Environmental and Social performance and key outcomes at Project Completion.**

All project components were implemented in accordance with applicable EU Environmental Directives. No project components required carrying out of an Environmental Impact Assessment, were located in the vicinity of Natura 2000 sites or sites requiring assessment according to the Habitat directive.

#### **Summary opinion of Environmental and Social aspects at completion:**

EIB is of the opinion based on reports from the promoter that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
