Environmental and Social Completion Sheet (ESCS)¹

Overview

| | |
|----------------------|---|
| Project Name: | BARKARBY AND HAGASTADEN URBAN DEVELOPMENT |
| Project Number: | 20190458 |
| Country: | Sweden |
| Project Description: | Supporting the construction of two NZEB buildings in the context of urban regeneration projects in the Stockholm region |

Summary of Environmental and Social Assessment at Completion

EIB notes the following Environmental and Social performance and key outcomes at Project Completion.

The supported investments consisted of two NZEB office buildings in Sweden.

These investments led to a reduction of the energy consumption of the buildings when compared to the minimum mandatory requirements in the Swedish Building code and subsequent reduction of CO₂ emissions.

No significant environmental or social issues were noted.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter, that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal
