

Environmental and Social Completion Sheet (ESCS)

Overview

Project Name:	<i>Amadeus RDI</i>
Project Number:	<i>2011 0525</i>
Country:	<i>France / UK</i>
Project Description:	<i>The project concerns the promoter's RDI activities for the development of new and improved IT solutions for airlines, airports, hotels and railway operators. More specifically the applications will support the companies in increasing the operational efficiency and service quality for travellers by improved reservation, departure control, inventory management and e-commerce applications. The RDI is entirely carried out in Europe during 2012 to 2014, with a focal point in France.</i>

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

No significant environment or social issues were noted.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter that the project has been implemented in line with EIB Environmental and Social Standards.
