

Environmental and Social Completion Sheet (ESCS)

Overview

Project Name:	YOOX E-COMMERCE PLATFORM
Project Number:	2013-0315
Country:	ITALY
Project Description:	The project concerned investments into new software applications and into the related IT and logistics systems of a Mid-Cap company. The measures aimed to optimize and expand the promoter's e-business platform (web shops) and to increase the efficiency of the delivery process of goods. Also the new platform supports a wider range of sales channels such as smartphones / tablets / cross-selling as well as further sales markets. These measures have been implemented during the years 2014 – 2016.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

There were no significant environment or social issues noted.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion, based on reports from the promoter, that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
