Environmental and Social Assessment

Environmental Assessment

The project activities are not listed in any annexes of the Directive 2014/52/EU amending the EIA Directive 2011/92/EU and will be carried out in existing facilities already authorised that will not change their scope due to the project.

Conclusions and Recommendations

The proposed investments will not have any environmental impact, do not require any specific environmental permits and fall within an already authorised scope.

The project is therefore considered acceptable for the Bank's financing in environmental and social terms.
