Furthermore in accordance with the terms of the Electricity Act, it is required to serve you with formal notice of the above intention. Please accept this letter as such notice. In the event of you wishing to object to our intention then such objection must be communicated to ZESCO Limited within 28 days of this notice. When agreement fails between us, the Ministry of Energy as set out will make the final decision in terms of the Electricity Act No. 15 of 1995 of the Laws of Zambia.

Your kind cooperation in allowing ZESCO Limited to proceed with the above work with little hindrance is therefore being sought so that the benefits to be derived from this new development may be available both to yourself and others in the area as soon as it will be practicable. Every effort will be made to keep an absolute minimum inconvenience that may be caused as a result of the above work. We look forward to your favourable response to this notice.

In order to give your formal approval it would be appreciated if you would complete, detach and return to this office part II of this letter.

Yours faithfully,
