Environmental and Social Completion Sheet (ESCS)

Overview

Project Name:	<i>POLISH ACADEMY OF SCIENCES II</i>
Project Number:	<i>2015-0477</i>
Country:	<i>Poland</i>
Project Description:	<i>Financing of tangible and intangible investment costs incurred by institutes and research units belonging to the Polish Academy of Sciences.</i>

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

No significant environment or social issues were noted.

The project involved basic research activities carried out by the Polish Academy of Sciences institutes. None of the schemes included in the project required a full EIA in accordance with the EU EIA Directive.

Basic research has high value for society. It contributes to economic development and the creation of high quality jobs.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion, based on reports from the promoter, that the project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
