Luxembourg, 6 December 2018

Environmental and Social Completion Sheet (ESCS)

Overview

Project Name: UNIVERSITY OF EAST ANGLIA
Project Number: 2012-0271
Country: United Kingdom
Project Description: Capital investment programme dedicated to the development and refurbishment of the University of East Anglia's campus in Norwich.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

The new Enterprise Centre built on the campus achieved both Passivhaus certification and BREEAM Outstanding certification, in addition to a number of other building awards for its design and sustainability credentials¹. Furthermore, the new student residences also achieved BREEAM Excellent certification.

No significant environment or social issues were noted.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter during Construction that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
