Environmental and Social Completion Sheet (ESCS)

Overview

Project Name:	CITY OF GLASGOW COLLEGE PPP
Project Number:	2012-0242
Country:	United Kingdom
Project Description:	The project involves the construction and maintenance of a new campus for City of Glasgow College on existing college land in the Glasgow city centre and on the banks of the River Clyde using the NPD (Non-Profit Distributing) procurement model.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

No significant environment or social issues were noted.

Three campuses were completed as part of this project, with each gaining BREEAM certification for their contribution to sustainable development. The principal academic premises – the Riverside Campus and the City Campus – both achieved an Excellent rating with the new halls of residence achieving a Very Good rating.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter, site visits by the EIB team and inputs provided by Lenders' Supervisors and others during Construction that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
