

European Investment Bank (EIB)

Luxembourg, 19 December 2018

Environmental and Social Completion Sheet (ESCS)

Overview

Project Name:	OEBB INFRASTRUKTUR ERNEUERUNG
Country:	AUSTRIA
Project Description:	Rehabilitation of rail infrastructure across Austria.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

The project definition limited the project scope to measures that do not require an EIA and that do not affect a Natura 2000 site. The Bank has not requested the promoter to provide documents supporting compliance with EU environmental Directives available.

No significant environmental or social issues were noted.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion, based on reports from the promoter received at the agreed times during the project, that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
