Decisions taken by the EFSI Investment Committee in November 2019

Investment Committee decisions approving the availability of the EU guarantee for EIB operations are made publicly available, except for projects subject to a confidentiality agreement between the EIB and the promoters.

In line with article 30 of the EFSI Agreement and the Transparency Policy of the Bank, Investment Committee decisions for such cases will be disclosed at a later stage by including them in a list of Investment Committee decisions taken throughout the year and published, in general, twice a year. This is after the projects have been signed or if these projects are not subject to a confidentiality agreement between the EIB and the promoters anymore.
