4. FOR DECISION
   Selection on the Investment Committee experts

A call for expression of interest had been launched by the EIB and published in the Official Journal of the European Union on 14/07/2015 (OJ/S S133) – similar information had also been published on the EIB’s website and in advertisements placed in the ‘Financial Times’ and The Economist’ on 15/07/2015 and 17/07/2015 respectively. On the basis of the applications received, having verified the eligibility and selection criteria as well as further considerations in terms of specific knowledge and experience, a list of 20 candidates had been proposed to the Steering Board.

In the interests of good practice, the members of the Steering Board agreed that each of the 20 candidates would be asked the same three questions as follows:

1) How do you see your role as an Investment Committee member as regards EFSI operations and what is the value added you would bring to the Investment Committee?

2) How will you ensure that the specific EFSI criteria, in particular the additionality and private sector involvement, are properly taken into account?

3) How should the Investment Committee manage the question of conflict of interests?
The members of the Steering Board interviewed the candidates by telephone-conference. 

*Upon proposal by the Acting Chairperson it was agreed to continue the interviews and to reconvene the meeting for that purpose at 11.30 a.m. on Friday 30 October 2015.*

After completion of the interviews on Friday 30 October 2015, the Steering Board unanimously decided to select the following eight candidates as the Steering Board’s preferred candidates for the positions of members of the Investment Committee:

Ms Gillian Day  
M. Thierry Déau  
Ms Dalia Dubovske  
Ms Vicky D. Kefalas  
Mr Fabio Pammodi  
Mr Noel Gregor Paterson-Jones  
M. Dominick Radziwill  
Ms Nieves Rodriguez Varela

It was unanimously decided by the Steering Board that following the completion of the usual integrity verifications, the above eight selected candidates would be informed by the EIB and offered a one-year contract. The candidates who were not selected and those who did not meet eligibility or selection criteria would be informed by the EIB.
