RULES OF PROCEDURE OF THE INVESTMENT FACILITY COMMITTEE
SET UP UNDER THE AUSPICIES OF THE EUROPEAN INVESTMENT BANK

Article 1

1. The Investment Facility Committee ('the Committee') shall consist of a representative for each Member State and a representative of the Commission. Only the members of the Committee designated by the Member States, or their alternates, shall vote.

2. The Chairperson and the deputy Chairperson of the Committee shall be elected from within the members of the Committee designated by the Member States, for a period of two years. The election shall take place at the beginning of the first meeting of the Committee by secret vote. The Chairperson shall be elected among the candidates on the basis of a qualified majority, as laid down in Article 3. The election of the deputy Chairperson shall follow the same procedure.

3. The European Investment Bank ('the Bank') shall provide the Committee's secretariat and support services.
4. The Member States shall each nominate one representative and one alternate authorised to exercise voting rights. An alternate may attend meetings of the Committee as an observer, but shall only have the right to vote when his/her Member State's representative is absent. Under exceptional circumstances, where neither the representative nor the alternate can attend a meeting of the Committee, the representative may give a proxy to another representative, or may be replaced by a third person to be appointed ad hoc by the Member State. The Member States shall inform the Bank and the General Secretariat of the Council of the names and addresses of their representatives and their alternates through their Permanent Representations to the European Union.

5. The Commission shall nominate one representative and one alternate to attend the meetings of the Committee and shall communicate their names to the Bank and to the General Secretariat of the Council. These appointees may be assisted by other officials and servants of the Commission.

6. The Bank shall nominate two officials to attend and take part in the work of the Committee and shall communicate their names to the Commission and to the General Secretariat of the Council. These appointees may be assisted by other officials of the Bank.

7. A representative of the General Secretariat of the Council and a representative of the European External Action Service (EEAS) shall be invited to attend meetings of the Committee as observers.
Article 2

The Committee shall be convened by its Chairperson and shall meet at least four times a year at the Bank's headquarters in Luxembourg. The Chairperson may convene additional meetings at the request of one of its members, or the Bank.

The secretariat shall send notices of meetings to the members of the Committee and their alternates, to the General Secretariat of the Council, the Commission and the EEAS, including details of the agenda proposed for the meeting, at the same time as the relevant documents, as specified in Article 5(1).
**Article 3**

The Committee shall act in all matters by a qualified majority of 721 votes out of 1 000, expressing a vote in favour by at least 15 Member States. The blocking minority shall consist of 280 votes. The votes of the representatives of the Member States shall be weighted as follows:

1. The Committee shall, under the conditions laid down in Article 3 of these Rules of Procedure and in Article 16 of the Council Regulation (EU) 2015/… of … 2015*¹ ('the Implementation Regulation'):

(a) with regard to the Investment Facility, approve:

(i) the operational guidelines and proposals for their revision;

(ii) the investment strategies and business plans, including performance indicators, in accordance with point (b) of Article 16(2) of the Implementation Regulation;

(iii) the annual reports, including the financial statements;

(iv) any general policy document, including evaluation reports;

(b) deliver an opinion on:

(i) all Investment Facility financing proposals;

(ii) all financing proposals from the Bank's own resources under the ACP-EU Partnership Agreement and the Overseas Association Decision including those related to projects for which the Commission has rendered a negative opinion;

(iii) the use of an interest rate subsidy, in case of projects including an interest rate subsidy;

*¹ Regulation (EU) 2015/… of … 2015 on the implementation of the 11th European Development Fund (JO L …)
(iv) proposals related to the development of the Bank's result measurement framework to the extent that such framework is applicable to operations under the ACP-EU Partnership Agreement;

(v) any other proposal based on the general principles defined in the operational guidelines.

In order to streamline the approval process for small operations, the Committee may give its favourable opinion to proposals from the Bank for a global allocation (interest rate subsidies, technical assistance) or global authorisation (lending, equity) in accordance with Article 16(3) of the Implementation Regulation.

In addition, the governing bodies of the Bank may, from time to time, request that the Committee provides an opinion on other strategy or policy issues concerning the operations of the Bank in the ACP countries.

2. The working documents and proposals for the Committee shall be prepared and submitted by the Bank to the Committee and to the observers. Proposals shall provide details on:

(a) the description of the project and its relevance to the country development strategy as presented in the country strategy papers;

(b) the development objective which the project is intended to achieve, including the sustainability of the measures planned;

(c) the general organisation of, and the justification for, the project;
(d) the project's costs, method of financing and risks involved, as well as, when relevant, the risk mitigation measures the Bank intends to apply;

(e) the project's local, national and regional impact, based on the provisions of the ACP-EU Partnership Agreement, including on the environment;

(f) the agreement or opinion of the Commission, as specified in Article 16(5) of the Implementation Regulation.

3. The detailed rules governing the technical execution of the project and the timetable for carrying it out shall be summarised in an Annex to the proposal.

Article 5

1. The Bank shall send the relevant documents and proposals to the members of the Committee and their alternates, as well as to the General Secretariat of the Council and to the EEAS at least 21 calendar days before the date fixed for the meetings.

The Chairperson may in exceptional cases waive the above time limit at the duly justified request of the Bank. Should a member of the Committee however inform the Secretariat that the waiving of the time limit is not acceptable, the respective agenda item will be removed.
2. Members of the Committee shall notify the Bank in writing of any comments or requests for further information they may have on the documents circulated pursuant to paragraph 1, within the following respective time limits:

(a) at least five working days before the date of the meetings in case they request a written response from the Bank ahead of the meeting;

(b) at least three working days, in case they request the Bank to answer orally during the meeting.

The right of Members of the Committee to receive oral answers from the Bank regarding questions raised during the meeting on the documents circulated pursuant to paragraph 1 shall not be impaired.

3. Acting on a proposal from its Chairperson, the Committee shall adopt the agenda at the beginning of the meeting. Each member of the Committee may request that items be added to the agenda, but for discussion only. Information supplied in this connection may be given orally.

4. An absent Member State representative shall be deemed to have approved or delivered a favourable opinion on the documents submitted, except where he/she has given the Chairperson of the Committee written notice of his/her intention not to approve or deliver a favourable opinion, or where, as an exceptional measure, he/she has given a proxy to another Member State representative. Where proxies to vote have been given or a replacement has been designated, the Chairperson of the Committee shall be duly informed in advance.
A Member State representative may receive a proxy from one other Member State representative only.

Article 6

1. The opinion of the Committee may be sought by means of a written procedure at the initiative of the Bank and with the prior agreement of the Chairperson.

2. Where a proposal is submitted through written procedure, the Bank shall submit it together with all relevant supporting documents. If, within 21 calendar days following the submission of a proposal, a Member State representative has not cast a negative vote, he/she shall be deemed to have voted in favour of the proposal.

3. If discussion at a meeting of the Committee is specifically requested by one of its members not later than five working days before expiry of the 21 calendar days period referred to in the paragraph 2, the proposal shall be submitted in the next scheduled meeting of the Committee. In exceptional cases of particular urgency, the Bank may then request that an extraordinary meeting of the Committee be convened by the Chairperson pursuant to Article 2.

Article 7

1. Without prejudice to Article 16(6) of the Implementation Regulation, the Committee's approval or favourable opinion may be granted subject to any comment specified by the Committee.
2. The Committee may ask for the appraisal of a request or proposal to be supplemented in certain respects. In such an event, the request or the proposal can be put before the Committee a second time.

3. The opinions delivered by the Committee shall be forwarded to the Bank's governing bodies.

Article 8

1. A record of the main conclusions of each meeting of the Committee and the main standpoints adopted by the members of the Committee shall be drawn up by the secretariat under the responsibility of the Chairperson within fifteen working days of the date of the meeting. The secretariat shall likewise record the opinions and votes cast under written procedure. These records shall be sent to the members of the Committee.

2. The record shall be deemed final once approved by the Committee, whether by written procedure or at a subsequent meeting.

3. Correspondence concerning the Committee shall be addressed to the secretariat, for the attention of the Chairperson of the Committee.

4. All representatives and observers attending meetings of the Committee shall observe the confidentiality of the Committee's work and deliberations. Documents relating to such work and deliberations shall be for the use of those to whom they are addressed, who shall be responsible for their safekeeping and the preservation of their confidentiality.
5. Twice a year, the Bank, in agreement with the Chairperson of the Committee, will make available general information on the implementation of the Investment Facility to the EDF Committee and the Council preparatory bodies, in particular the ACP Working Party, to ensure broad coherence and complementarity of activities funded under the European Development Fund. This will be done in compliance with confidentiality rules enshrined in paragraph (4).

Article 9

1. The operating expenditure of the Committee, including travel expenses for one representative of each Member State, shall be borne by the Bank. The Member State representative chairing the Committee is also entitled to reimbursement of travel expenses in addition to the other representative from the same Member State, if any.

2. The Bank shall place at the disposal of the Committee the premises and equipment necessary for its work.
