Description

Main site or place of performance

Chimoio and Manica Cities, Manica Province, Mozambique

***Description of the procurement**

FIPAAS, the implementing agency, invites eligible construction firms (“Contractors”) to tender for the construction of the Works. Procurement of the Works will be conducted through Open Procedure (*Most Advantageous Bid using Rated Criteria: Bid with the highest combined technical and financial score*) as specified in the Guide for Procurement for Projects Financed by EIB (herein referred to as EIB’s GtP), July 2024 revision (available online at [Guide to procurement for projects financed by the EIB](#)). There are no eligibility restrictions based on the Contractor's country of origin. Bids will be evaluated in accordance with the evaluation process set out in the bidding documents. The following weightings shall apply for Rated Criteria, including technical and non-price factors (technical evaluation) 80% and for the Bid cost (financial evaluation): 20%. Contractors may associate with other firms in the form of a Joint Venture, Consortium or Association (JVCA) to enhance their qualifications. The type of association shall be clearly stated in the Proposal. The experience of any proposed sub-contractor shall be included in the evaluation.

Information about authorised persons and opening procedure

Tenders and associated documents must be opened in public, in the presence of representatives of the tenderers if they wish to attend, authorised representatives of the Contracting Authority (FIPAAS), Promoter (GREPOC) and the TA consultant representatives, on a date and at a place indicated in the Procurement Notice or tender documents. Tenders arriving after the deadline for receipt are not to be opened. At the opening of tenders, the name of the tenderers and the amount of each tender, including any special conditions, must be read out aloud and recorded in the minutes of the tender opening. The said minutes must be signed by all the attendees and be shared with them for record. Under this procurement process, the Bid comprises two Parts, namely the Technical Part and the Financial Part. These two Parts are submitted simultaneously in two separate sealed envelopes (two-envelope Bidding process); thus, FIPAG will publicly open and read out the Technical Parts of Bids received by the deadline, at the date, time and place above mentioned. Following the completion and notification of evaluation of Technical Parts of the Bids, the Public Opening of Financial Parts of ONLY the Bids evaluated as substantially responsive to the bidding document and met the eligibility and qualification requirements, will take place. All bidders will be notified, in writing, of the date, time and location of the second public opening.
